Page 1. **Front cover for CD Jewel Case**, 4.75" x 4.75"

Cut on outer black lines, fold along center line and tuck into front of Jewel Case

Greek Literature

[Henry Julius Wetenhall Tillyard](#) (1881 - 1968)

"The Greeks were the most intellectual people of the old world. ... The study of Greek literature is therefore a proper element in a liberal education. The Greek language, naturally flexible and rich in poetical words, becomes in the hands of the great writers a medium of unequalled force, clearness, and adaptability, able to express as well the highest aspirations of the poet as the subtlest shades of philosophical argument or the most abstruse technicalities. The books of Greece have passed the critical selection of the ages, and the student, unencumbered by masses of inferior material, can approach the works of acknowledged masters, the true fountain-head of European culture." - Summary taken from the Introduction

Genre(s): Literary Criticism, Social Science (Culture & Anthropology)
Language: English

Read by Librivox Volunteers: Devorah Allen, Heather Eney, Jeremy Silver, Emily Maynard, Jennifer Wilson, Katina Papadakis

Book Coordinator: Devorah Allen

Meta Coordinator: Devorah Allen
